

What went well?

What should we keep doing?  
What should we celebrate?  
Where did we make progress?

What went poorly?

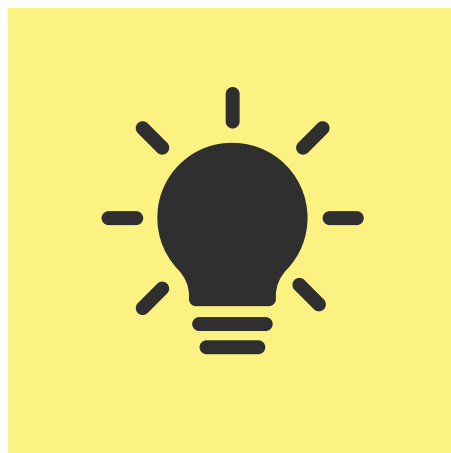

Where did we have problems?  
What was frustrating to us or others?  
What held us back?

[Topic of the retrospective]

Understanding this will ensure you don't waste time on designs that don't work. And you don't want to spend loads of cash on designs that come

Get the look you want in your calling cards without the hassle. Start with a template, add your details, and get professional results in minutes.

Keep your copy at least 5mm from the trim edge. This is so the printers can cut down your business cards without affecting the design. This extra space is also known as 't
